INCOME TAXES SECOND PAYMENT

Must Be Paid On Or Before June Fifteenth

SPECIAL TAX JULY 1

Excursion Tax is Explained—Renewal of Narcotic Tax Due This Month—Failure Means Penalty

Division Chief J. Fred Birrell, Internal Revenue Department, advises taxpayers to remember that the second payment on incomes must be paid on or before June 15th, and that all special taxes are due July 1. Proprietors of theatres, automobiles for hire, brokers, pool rooms, bowling alleys, pleasure boats, also dealers, cigar manufacturers, retail liquor dealers, are required to have this license. Capital stock tax is also due July 1st.

He advises that all proprietary medicines and toilet articles when sold must be stamped. That a tax must be collected on all jewelry, real or imitation.) That the tax on soda and ice cream must be collected, and a daily record kept. Neglect to remember will subject to penalty and wilful failure to prosecution.

"The admission tax or war tax, as it is more frequently referred to, is not applicable to individual admissions to excursions given on boats or excursions or picnics given on railroads," said J. C. Noel, collector of internal revenue. "The tax in both instances is paid by the transportation companies, who are requested to colect a tax of 8 per cent on the amount collected as chartering fee. It is not necesary for those who desire to give boat or train excursions to apply for certificates of exemption from collection of tax on the above before having their tickets printed.

"All doctors, dentists, veterinary surgeons, hospitals, wholesale and retail druggist and general merchandise stores who sell, prescribe, dispense or manufacture taxable or non taxable narcotic preparations are required to renew their federal licenses during the month of June. Unless application for renewal is received with check or post office money order during the month of June, the 25 per cent penalty is automatically applied," said J. C. Noel, colector of internal revenue, yesterday.

TO CONTINUE OLD CLOTHES DRIVE TILL JUNE 15.

Richmond, June 9.—The "Old Clothes" drive of the Near East Relief in Virginia, which was held from May 29th to June 4th, has been continued until June 15th, according to an announcement today by Oliver J. Sands, State Chairman.

Several hundred carloads of old clothes were shipped from Virginia during the drive, Lynchburg in particular going away over its expected quota. Mr. Sands has received many requests for information as to whether or not it is too late for those who neglected to send clothing during the drive week to donate now.

For the benefit of those who have old clothing still in their attics or closets, Mr. Sands has extended the time of the "drive.' All clothing should be securely wrapped and mailed to the shipping department of the Near East Relief, 549 West 39th Street, New York City.

TRINKLE'S VIEWS ON ROAD BOND ISSUE

Richmond, June 9.—Hon. E. Lee Trinkle, candidate for Governor, has given out the following statement on the question of the Road Bond Issue in Virginia, and the re-organization of the Highway Department.

"Some weeks ago I gave out a statement of my views on the reorganizatio of the Highway Department of Virginia, being, so far as I know, the first statement made by any candidate on this subject. I wish now to reiterate the statement then made, that I am an earnest advocate of good roads and that no one could be more sincerely interested in the road development of the Commonwealth of Virginia than I am; and this I have always endeavored to evidence both as a member of the Senate of Virginia and as a private citizen.

"I realize that a comprehensive system of good roads is absolutely essential for a speedy and complete development of our State, and that the demand for increased transportation facilities is upon us and must be met. It is my purpose and desire to devote my very best eforts toward the development of adequate road facilities; but, great as my desire is for speedy road construction, I feel that we should not be forgetful of conditions as they now exist and should keep ourselves well within the limit of the ability of our people to bear the cost with out reasonable burden, and within the capacity of the Highway Department to economically and efficiently construct and maintain the roads; realizing that the maintenance of our roads after their construction is fully as essential as the construction itself; and that in addition to State taxation for road purposes the people are also called upon for county and city taxes for the construction and mairtenance of their local roads and streets.

"I find it by investigation that Virginia's funds for road construciton and maintenance during the fiscal year ending September 30th, 1921, amount to the sum of $12,412,721.37, (this sum including the Federal Aid). I further find that the Auditor conservatively estimates that the income for road construction and maintenance for the fiscal year ending September 30th, 1922, wil be $7,650,000.00; and for the fiscal year ending September 30th, 1923, the sincome for the same purposes will be $7,650,000.00. It is fair to state that the Auditor in making up the above estimate has figured on the basis that the Federal Aid will be continued as it now is. In other words, Virginia will have the sum of $27,712,721.37 to spend for road construction and maintenance during the years 1921, 1922 and 1923.

"It is also true that the reduction which has already come in the cost of road construction and maintenance with the possibility of still further reduction in the future, will allow a considerable increase in mileage to be constructed with available funds over and above what was originally anticipated.

"I believe that with these large funds available, and under existing business and financial conditions, it would not be wise for me to recommend to the next General Assembly that any bill should be passed committing Virginia to a bond issue of $50,000,000.00, or any other fixed amount.

"Not only have the people of Virginia, in eleting their candidates to the House of Delegates this year, the opportunity to indicate their desires as to a bond issue; but I would further remind the people of the State that in the fall of 1923 they will have to elect the entire General Assembly for the session beginning in January, 1924, and they can then give a further expression of their wishes as to the road bond issue through the election of the members of both branches of the Geenral Assembly; and in this way a full expression of the people may be had at that time under the conditions as they may then exist.

"I believe that the present burden of county, city, State and Federal taxes is as heavy as the people should be called upon to bear, and I am unalterably opposed to any increase in State taxation of any kind for any purpose under present conditions.

"In traveling over the State as I have done for the last few months, facing from one to five audiences a day, I find that the people of Virginia are not satisfied with the laws governing our Highway Department; and, as I have previously stated, I shall, if elected, recommend to the next General Assembly a reorganization of this Department, based on a most careful study of the subject in conjunction with the very best judgment and advice that I can secure; so that no one man shall have entire control of same, and that all money provided for road purposes will be carefully safe guarded and wisey and economically expended.

I am strongly in favor of a centralized Highway Department having control of the State Highway System, at the same time giving to the local road authorities a reasonable discretion in connection with State Aid county roads, to which the counties contribute one half of the cost."

LEGISLATIVE CANDIDATE

Capt. E. W. Jordan Announces His Candidacy—Lamond Withdrawn Triangular Fight

Mr. Clyde, Lamond, of Jefferson District, announced candidate for the State Legislature subject to the Democratic primary announces that he has withdrawn in favor of Captain E. W. Jordan. Captain Jordan field a petition containing the names of over 200 of his many frineds with the court at Alexandria and stands excellent prospects for election. His principal platform will be for the proper recognition of the "overseas boys" and general progress in county government. Captain Jordan is president of the Clarendon Citizens' Association, the Clarendon Athletic Association; assistant business manager of the Washington Base Ball Club; commander 312th Machine Gun Post No. 24, of the American Legion; team captain Arlington Lodge, I. O. O. F.; a member of the Masons, and is organizing an Arlington County Post of the A. E. F.

Captain Jordan served with the 312th Machine Gun Battalion, 79th Division participating in the Argonne Forestand Meuse River fights His contingent arrived from France May 23, 1919, and was demobilized June 6, 1919. Captain Jordan has lived in Clarendon since his discharge.

With the entry of E. W. Jordan, of Clarendon, Arlington county, into the race for the Legislature, announced today, the fight becomes a triangular one. The already avowed candidates for the office are Attorney Charles Henry Smith, and J. W. Collins, the latter a machinist in the Southern Railway shops, both of Alexandria. The candidates who will be chosen will represent Alexandria City and Arlington County in the legislature.—Arlington County Chronicle.

RETAIL MERCHANTS

Bureau to Present Ordinance on Out Signs

A number of matters of importance were taken up and discussed last night by the retail merchants bureau of the chamber of commerce at a meeting of that body. The question of merchants placing electric signs advertising their business in front of their property was discussed at length and an ordinance was prepared making sweeping changes in this law and in the near future was stated it will be presented to the city council for consideration.

The question of merchants closing their places of business on Wednesday afternoon was discussed and left in the hands of a committee of two and they will ascertain the views of the different merchants on the subject.

TEACHERS GIVEN $50 A YEAR INCREASE

Miss Mary D. Pierce Seeks Position of Supervisor of Instruction

USE OF H. S. GROUNDS

D. W. Powers Applies For Position as Principal of High School—Other Matters Presented to School Board

The regular meeting of the city school board was held last night at Lee School building.

There were present the chairman, Dr. Moore and Messrs. Leadbeater, Tennesson, Cox, Powell, Bladen Colvin, Dare, Bayne, Perry and Superintendent Sweeney.

The board authorized an increase of $50 for the year in each teachers salary.

An application for the new position of supervisor of instruction was received from Miss Mary D. Pierce. Miss Pierce has been connected with the Farnville Normal School for several years and is especially trained along these ines. Miss Pierce is now supervisor of instruction for state of Alabama. Also an application was received from Mr. D. W. Powers as principal of the High School, and the trustees will meet Mr. Powers at the chamber of commerce at noon Saturday, the 11th, to discuss the matter. Mr. Powers has taught at the Episcopal High School, Hawkinsville, Ga., and is now principal at Sandy Springs, Md.

Mr. Perry reported he had had a conference with the Fraternal Order of Americans No. 5, with reference to providing flags for the school buildings and complying with their recent request.

A request from the Parent Teachers' Association and the Y. M. C. A., to be allowed to use the High School grounds during the summer, was granted with the understanding that details of the arrangements must be made through the Athletic Committee of the school board. Messrs. Dare, Bayne and Dr. Powell

Repairs to the several buildings were reported. The usual number of bills were approved and ordered to be paid.

The chamber of commerce in a communication stated they were perfecting plans for marking historical places in Alexandria and asked permission to place a marker on Washington school which was granted.

The board will hold a special meeting Tuesday, June 21.

PROPHESIES ANOTHER WAR IN PREPAREDNESS PLEA

Staunton, Va., June 9.—"If I read the trend of the times aright another war is in the offing," declared Brig. Gen. Paul B. Malone, U. S. A., and head of the Reserve Officers' Training Corps, in an address before the graduating class of 91 from the Staunton Military Academy today. Geenral Malone pleaded for adequate training for America's young men so that when they are called to defend their country they might have a fighting chance to return victorious and alive.

General Malone intimated that war would entangle the United States and the combined yellow races of the world. He said the answer to the problem lies in such institutions as West Point, Virginia Military Institute, Staunton Military Academy, and the many other similar military schools. He showed by figures that of American troops actually fighting in the World War 31 per cent, were killed or suffered wounds and declared this percentage was far greater than it would have been because the nation was unprepared

One of the principal events in connection with fnds this year was the unveiling of a monument bearing the names of the academy's 30 World War dead.

Harvard Squirels Never Lean, Wilson College Girls Believe

Chambersburg, Pa., June 9.—Not to be outdone by Harvard or any college for mere men, Wilson College, of this place, has issued a "credo" which contains two score of the beliefs professed by the student body. Extracts follow:

"We, the students of Wilson College third oldest college for women in the United States, believe.

"That permanent waves help make permanent wives. That the squirrels on the Harvard campus will never go hungry. That rolled stocking are the 'socks' of second childhod. That 'The Coming of the King' should never find a place on the library shelves. That Theodore Roosevelt was the most typical American. That Hannah Patterson, of Pittsburgh, is the greatest living Wilson alumna. That Wilson fudge is making the University of Pennsylvania famous.

"That no one knows more about the meaning of the word 'sacrifice than a minister's wife—unless it be a hospital nurse. That the small college has it all over the large one That the reason there are more great men' than 'great women' in the world is because women have spent most of their time helping men to greatness. That being a minister's daughter is no serious handicap.

"That woman's place is wherever woman is useful. That education is the searchlight of civilization. That Princeton men are neat conversationlists That men from Dickinson have nice voices. That we'll get a $1 000,000 endowment. The State College is a pleasant place for the sojourner. That love, play and work will make any life complete."

Ship Which Hit Iceberg Is Limping Into Port

St. John's N. F., June 9.—A radio message last night from the steamer Seapool, which struck an iceberg yesterday morning, said that if her bulkheads continued to hold the vessel was in no danger of foundering. If weather conditions are favorable it is expected the Seapool will reach this port about noon today.

The message sent at 6 p. m., said the forward compartment was dry, but that the water in the forepeak had gained two feet since noon. It added that ship's stem and plates were badly damaged from the 25-foot mark downward.

The steamer Ingleby is proceeding from St. John's to assist the Seapool.

REPORT SAYS OFFICERS FLUNKED IN EXAMS

Annapolis, June 9.—Not more than half of the naval officers who recently were examined on professional and general educational lines, to determine whether or not they will retain commissions in the higher grades to which they were promoted during the war, were successful in the tests, according to unofficial reports in circulation here

There are about 2,000 officers of temporary rank, who took these tests, and indications are, according to report, that scarcely more than 1,000 will be found qualified and yet it is said the examinations were comparative easy. The examinations were conducted at various naval stations throughout the country. Many officers took the tests at the naval academy, and others at different navy yards and on ship board.

FIVE CANDIDATES DECLARED NOMINEES

City Democratic Committee Examines Papers of Candidates

PRIMARY AUGUST 2

Contests are on for Five Offices and It is Expected That a Big Vote Will be Polled

The following office holders who are without opposition in the democratic primary which will be held August 2 next, last night were declared the democratic party nominees by the city democratic committee at a meeting held in the rooms of the chamber of commerce presided over by Capt. Albert Bryan, acting chairman: N. S. Greenaway, clerk of the courts; Thomas W Robinson, city treasurer; Charles H. Callahan commissioner of revenue; Robert H. Cox, city sergeant; E. F. Price, city auditor; H. Noel Garner, corporation attorney. Names of the candidates unopposed will appear on the ticket.

Papers of the other candidates who will have opposition were gone over by the committee and found corect They are as follows: For city tax collector, P. F. Gorman, incumbent, and George S. French; for commonwealth's attorney, Howard W. Smith, incumbent, and W. S. Snow; for clerk of gas, Frederick W. Ebhardt; incumbent, Carter H. Smith and Frederick H. Schneider; for civil and police justice, Frederick G. Duvall, Frank Stuart and A. B. Nicol, all new candidates; for the state legislature, to represent this city and Arlington county, Charles Henry Smith and J. W. Collins, both of this city, and Capt. E. W. Jordan of Arlington county, all new candidates.

Most of the candidates are making a quiet and active canvass for the offices and indications are that a large vote will be polled in the primary at which time candidates for governor also will be voted on.

The City's Health.

The report of the City Health Officer for the month of May is deserving of more than casual mention. It reflects a public health condition in Alexandria of which the city may well be proud, it indicates vigilance on the part of our health department of the most hopeful and encouraging kind, and it augurs for the future the continual bettering of the community as a place to live in. ber of cases of typhoid for a

To have reduced the number four months period from 19 cases last year to 4 this year is no mean accomplishment. To have kept our scarlet fever, diphtheria and and small-pox is well worth while.

Dr. Foulks credits the city's health improvement to efficient water, milk and food inspection and general sanitary work. He cites as an example that 670 pounds of tuberculous meat and 100 pounds of chickens were condemned as unfit food during the month of May alone. And mentions that numerous parties have been forced to connect their properties to the city sewers.

This is fine work, may it continue to prosper.

Laughs Last Who

The last laugh is the best laugh and a wonderful laugh it must be which adorns the face of a war-worn gentleman in S Street, Washington, who but lately presided over the destinies of the nation.

After all the hub-bub about th Knox Peace Resolution and the Porter Peace Resolution, the report now comes that in order to avoid an open fight between the partisans of the two, the President may in the last analysis declare a state of peace by executive proclamation.

Are the treaty-wreckers thus to be robbed of their glory?

And one wonders why President Wilson, instead of going to the trouble of making a peace treaty and losing his health in an attempt to get the Senate to ratify it, did not merely resort to this simple expedient of peace by executive proclamation. For that matter one wonders doubtless why Washington, Madison, Taylor, McKinley and all our other war Presidents did not do the same thing.

They doubtless had no "best minds" to advise them and besides knew something about the Constitution of the United States.

CITY NEWS IN BRIEF

Mr. and Mrs. Frederick Hartung, of New York, accompanied by Mrs. Julian D. Knight and daughter, Miss Annie, will leave tomorow for Colonial Peach where they will spend several days.

Friendship Council No. 28, Sons and Daughters of Liberty, will on Friday night, June 10th, celebrate their twelfth anniversary by a home coming of their members, and all mmebers are expected to be present when the family circle will be formed. Refreshments will be served and a general good time for all.

Jack Dempsey Almost Perfects His Shift

Atlantic City, N. J., June 9.—Jack Dempsey worked out for forty minutes in his outdoor arena, practicing for the most on his shift, which experts agree, he already has mastered to perfection.

The titleholder gave a remarkable demonstration of timing his punching. He would stand before a heavy inflated punching bag, rush into the target as if set for a right-hand punch, and the shift, hooking it with a terrific left that carried the full power of his weight. He repeated this for a full ten minutes, first hooking with his right and then his left. Once he hooked with such tremendous force that the bag sailed over the heads of the spectators, who stood with mouths opened, wondering if Georges Carpentier could survive such hitting power and speed for twelve rounds.

Fraternal Orders

Seminole Tribe No. 35 Improved Order Red Men

On last Thursday evening a large gathering of the members of Seminole Tribe No. 35 attended the regular semi-monthly meeting, of the tribe.

The Chief's Degree was conferred on a class of 8 warriors after which Rev. E. V. Regester, pastor of the M. E. Church South, addressed the tribe on charity, the motto of the Chief's Degree.

On Thursday, June 16th, the election of chiefs for the next six months will be held and on Thursday, July 7th the newly elected chiefs will be installed jointly with the chiefs of Silver Moon Council Degree of Pocahontas, by Deputy Great Sachem, Henry R. Padgett, assisted by past Pocahontas Mrs. Mabel Roop.

After the regular business meeting of Seminole Tribe on Thursday, June 16th, the Knights of the Tin-Panities will confer the mysteries on a class of candidates and a large delegation of members from Washington will come down to witness the ceremonies.

Silver Moon Council Degree of Pocahontas Improved Order of Red Men.

On Monday, June 13th, the regular semi-monthly meeting of Silver Moon Council will be held. The degree will be conferred on a large class of candidates by the degree staff of Silver Moon council. After the degree work the nomination of chiefs for the next six months will be held, after which the Good of the Order Committee will furnish another surprise for the membership. Plans will also be made for the joint installation ceremonies of Seminole Tribe No. 35 and Silver Moon Council on Thursday, July 7. The committee on picnic are arranging for another outing of the council on July 4th, and report along this line will be made at the meeting on Monday, June 13.

The meeting will start promptly at 7.30 p. m.

KNIGHTS OF COLUMBUS

"The Council Bulletin" is the name of the official paper published monthly in behalf of the local council. It is intended more as a dispenser of news concerning forecoming events rather than as a literary medium of the local organization. Mr. "F. T." is its editor, and more and more the little paper is enjoying the increased popularity it deserves.

Mr. C. M. Horgan, former Grand Knight of Fitzgerald Council, is back again in our midst, and on last Wednesday evening presented to the local council a beautiful painting, made after one of the master's paintings.

Brothers Purvis C. Downham and Hugh G. Murphy, young members of our council, have during the past week finished their studies for the year at the Catholic University of America, at which institution both are working hard for degrees in their respective lines.

Don't forget the big Garden Party that will come off in "regular style" at the Brothers' School on Wednesday and Thursday evenings, June 22nd and 23rd. A big time is in store for all who attend.

The local delegates to the State council, recently held in Portsmouth, gave to the members of Fitzgerald council a very interesting account of the convention proceedings. It was pointed out that nowhere in the State has such remarkable growth been made as in the council of Alexandria.

SPORTS

Two fast baseball games are booked for Saturday and Sunday by the Dreadnaughts on Daggett's Field, Saturday at 4 o'clock, Camp Humphreys Civilians, winners of seven straight games, will be the attraction, another tight exhibition, Sunday at 3 o'clock, an all-star Navy Yard Team will endeavor to break the locals winning streak, the visitors will be picked from the six clubs of the Navy Yard league. Paul Bryant, of Rex fame, will be their pitching selection. Jimmy Alexander and Lefty Snead will uphold the "D's" mound duties.

Score yesterday, Southern Methodists, 10; Baptist, 4.

Game tomorrow, Trinity, M. E. vs. Second Baptists.

The league leaders have fallen—at least temporarily. It might also be said that their fall occasioned great rejoicing in the league. Not because the team was the team it was, but because of was leading the league with a thousand per cent. That is always a dangerous thing for any team. But it does not signify that the First Baptist team is in any way down hearted, quite the reverse in fact.

There was a large crowd out to witness the fun, which started in the first inning when the Methodists scored a run. They secured two more in the second while the Baptists were also getting one. The score was three to one in favor of the Methodists. The Southerners then having scented victory as a possibility walked right in the fourth and scored five lusty runs.

This greatly pleased the crowd which was evidently sympathizing with the "under dog." The Baptists, however are sporting a team of old timers who are not so easily ruffled. They changed pitchers, practically stopped the scoring and chalked up three of their own in the sixth.

The Methodists added two more in the seventh to be sure that there would be no come-back, and the game was over. Kendrick started the game for the Baptists but gave way to Trenary, while Martin was on the receiving line. Morrison and Allen clubbed for the Methodists. Tullock caught.

The batting was a feature, Featherstone, Richardson, Coleman and Ladd each getting two baggers. Kendrick and Trenary each struck out five men while Morrison had nine of them fanning the air.

The Alexandria Torpedo Station baseball team was defeated Saturday on the North Alfred street diamond by the Fort Washington baseball team by the score of 3 to 2. McMutt struck out thirteen men for Fort Washington and Alexander struck out thirteen men for the A. T. S. Alexander allowed six hits when McNutt ony allowed five. It is better late than never as the old saying is so we thought we would put this in today's sport. It was overlooked by the sport writer on the team. The A. T. S. will give a moonlight excursion the 23rd of this month. Will you come to help to swell the crowd?

Not to be confused with suction sweeping is the APEX principle of cleaning *entirely* by suction. APEX suction needs no help from a power driven brush to beat and pound the delicate nap of rugs and carpets. Its rushing river of harmless air is alone sufficient to draw out every particle of deeply imbedded dust and dirt.

The APEX bristle brush does not revolve but is stationary. It gently combs the surface of the carpet, picking up all threads, lint, hair and litter without the slightest wear or injury.

RICHMOND THEATRE

Friday and Saturday

A strange race between two horses and a locomotive furnishes one of several exciting scenes in the big Vitagraph special production, "Black Beauty," based on Anna Sewell's famous classic by the same name. The scene was staged at great cost and necessitated the use of unique photographic "shots." It is one of the most thrilling race scenes ever filmed.

"BLACK BEAUTY," the immortal work of Anna Sewell, published in scores of editions, read and remembered all over the world by millions of people, holds a warmer place in the heart of mankind than any other book ever published.

LILLIAN and GEORGE RANDOLPH CHESTER prepared the screen version of "BLACK BEAUTY." The biography of the famous Black Beauty is faithfully depicted, and the distinguished co-authors have interwoven in perfect sequence a thrilling and dramatic story of the romance and adventures of the human characters, of which Black Beauty knew nothing about.

DAVID SMITH directed "BLACK BEAUTY" with artistic perfection.

JEAN PAIGE is the Star of one of the most prominent casts ever presented in a motion picture production.

"BLACK BEAUTY" is the greatest box-office attraction ever offered!

Be Sure Of The Food Value

You eat bread for the nourishment it gives--and it gives nourishment in exact proportion to the character of the ingredients in the formula by which it is made---and the method of the making.

Corby Bread is the 100 per cent Bread

100 per cent of PURITY, and
100 per cent of NOURISHMENT

Not by chance—but because of the scientific standard by which all ingredients used are measured—and to which they must conform. In addition unusual quantities of rich milk are used. The mixing is done by the Corby patented process—which develops the full gluten content of the flour—making sure of maximum nutrition.

Provide the children nourishing Bread —CORBY BREAD—they like it because it is so good.

FORCED TO LAY OFF FROM WORK

Restaurant Man Wouldn't Swap Good "Tanlac Did Him For Best Hotel in State, He Says

"I wouldn't swap the good health Tanlac has given me for the finest hotel in the State," said C. N. Chisholm, of 417 N. E. Fourth St., Charlottesville, Va., proprietor of a restaurant on Water Street, near the Chesapeake and Ohio railroad station.

"Why, the medicine has built me up twelve pounds in weight and put me in the very best of health, but before I got hold of it I was in mighty bad shape. I was woking in Philadelphia, and suffered so much from nervousness and indigestion that I got in a terribly run down condition. My stomach was so disordered that I felt nauseated most of the time, and I bloated until I could hardly get my breath. My head ached constantly day and night, and I had such awful attacks of dizziness that at times they almost blinded me. I was so nervous I trembled like a leaf and I could never get a good night's sleep. My whole system just seemed to be worn to a frazzle and I was losing three or four days a week from my work. I tried everything I knew of in the way of medicine, but kept getting worse until I decided to leave Philadelphia and came to Charlottesville, my old home.

"After I had been here for several monthswithout getting any better I ran across Tanlac, and three bottles of the medicine have put me in fine shape. The fist bottle set my stomach in order and the other two continued to build me up until I gained twelve pounds in weight and am enjoying the very best of health. I never have to mis sa day from my work now, and it is due entirely to Tanlac that I'm feeling so fine."

Tanlac is sol din Alexandria by Edgar Warfield, jr., and leading druggists.

NOT AN ISOLATED CASE

Many Similar Cases in Alexandria and Vicinity

This Alexandria man's story given here is not an isolated case by any means; week after week, year after year, our neighbors are telling similar good news.

H. J. Duner, policeman 310 North Columbus Street, Alexandria, says: "I have used Doan's Kidney Pills off and on for a good many years and have always had good results. Before I tried them I was troubled a great deal with pains in the small of my back, which were so bad I could hardly bend over sometimes. I had miserable headaches and dizzy spells, too. The kidney secretions passed too freely. I am glad to say that since I have used Doan's Kidney Pills I have been free from all that trouble and have felt a great deal better in every way. I am not afraid of my back hurting. I use a few of Doan's once in awhile and they keep my kidneys in fine shape."

Price 60c at all dealers. Don't simply ask of a kidney remedy—get Doan's Kidney Pills—the same that Mr. Duner had. Foster-Milburn Co., Mfgrs., Buffalo, N. Y.

VIRGINIA NEWS

Newport News—W. F. Hopkins, 77, the youngest man to enlist in the regular service of the Confederate States of America, when he became a member of the York Rangers in 1861, is dead at Dixie Hospital in Hampton.

Norfolk—Plans to make Norfolk the greatest tobacco port in the country are linked with current rumors that a majority of the stock of the Norfolk Southern Railway Company has been bought by the Duke family, of Durham, tobacco merchants. Confirmation of the rumors could not be made, however.

Richmond—Fifty young men and women, representing fourteen Southern States, appeared before the foreign mission board of the Southern Baptist convention in Richmond this morning for appointment to stations in ten of the foreign fields occupied by the board. The bulk of them were assiged to China and Japan, though some will go to South America, Africa and Europe.

Richmond—Dog taxes collected in Virginia for the fiscal year ended January 31, 1921, totaled $242,721.76, according to statistics compiled and released, for publication by the Department of Game and Inland Fisheries which is charged with enforcement of the law. During the year nearly 4,000 dogs were destroyed by game wardens in the counties, cities and towns, while a total of 8,546 convictions were obtained for violations of the law. Taxes were paid on a total of 180,453 individual dogs, 1630404 males and 27,029 females. In addition a number of dogs were kept under kennel licenses.

Richmond—The Virginia commission, which will formally present the Houdon statue of George Washington to the British empire June 30, left Richmond today for New York, to sail for Liverpool on the S. S. Lapland Saturday. According to a letter received from the British embassy in Washington by Col. John W. Williams, secretary of the commission, it will be entirned for a week end party by Lady Astor, a former Virginian. The program announced also includes a vist to the house of lords, the house of commons, Hampton court palace, Windsor castle, Westminster abbey, the tower of London and other points of interest in London. The commission consists of Dr. Albert W. Smith, president of Washington and Lee University; Lieutenant Governor R. H. Buchanan, the speaker of the house of delegates. Governor Davis was originally appointed to this commission by the general assembly, which authorized the presentation, but delegates Dr. Edwin A. Alderman president of the University of Virginia to go instead. Dr. Alderman later found he could not attend and Dr. Smith was appointed in his place. The Houdon statue of Washington was made from casts taken from the person of the first president. The original statue, in marble, now stands in the rotunda of the Capitol here. The statue, which has been erected in Trafalgar Square, within the shadow of the monument to Lord Nelson, is of bronze and will be unveiled June 30th.

FORCED TO LAY OFF FROM WORK

Restaurant Man Wouldn't Swap Good "Tanlac Did Him For Best Hotel in State, He Says

"I wouldn't swap the good health Tanlac has given me for the finest hotel in the State," said C. N. Chisholm, of 417 N. E. Fourth St., Charlottesville, Va., proprietor of a restaurant on Water Street, near the Chesapeake and Ohio railroad station.

"Why, the medicine has built me up twelve pounds in weight and put me in the very best of health, but before I got hold of it I was in mighty bad shape. I was woking in Philadelphia, and suffered so much from nervousness and indigestion that I got in a terribly run down condition. My stomach was so disordered that I felt nauseated most of the time, and I bloated until I could hardly get my breath. My head ached constantly day and night, and I had such awful attacks of dizziness that at times they almost blinded me. I was so nervous I trembled like a leaf and I could never get a good night's sleep. My whole system just seemed to be worn to a frazzle and I was losing three or four days a week from my work. I tried everything I knew of in the way of medicine, but kept getting worse until I decided to leave Philadelphia and came to Charlottesville, my old home.

"After I had been here for several monthswithout getting any better I ran across Tanlac, and three bottles of the medicine have put me in fine shape. The fist bottle set my stomach in order and the other two continued to build me up until I gained twelve pounds in weight and am enjoying the very best of health. I never have to mis sa day from my work now, and it is due entirely to Tanlac that I'm feeling so fine."

Tanlac is sol din Alexandria by Edgar Warfield, jr., and leading druggists.

NOT AN ISOLATED CASE

Many Similar Cases in Alexandria and Vicinity

This Alexandria man's story given here is not an isolated case by any means; week after week, year after year, our neighbors are telling similar good news.

H. J. Duner, policeman 310 North Columbus Street, Alexandria, says: "I have used Doan's Kidney Pills off and on for a good many years and have always had good results. Before I tried them I was troubled a great deal with pains in the small of my back, which were so bad I could hardly bend over sometimes. I had miserable headaches and dizzy spells, too. The kidney secretions passed too freely. I am glad to say that since I have used Doan's Kidney Pills I have been free from all that trouble and have felt a great deal better in every way. I am not afraid of my back hurting. I use a few of Doan's once in awhile and they keep my kidneys in fine shape."

VIRGINIA NEWS

Newport News—W. F. Hopkins, 78, the youngest man to enlist in the regular service of the Confederate States of America, when he became a member of the York Rangers in 1861, is dead at Dixie Hospital in Hampton.

Norfolk—Plans to make Norfolk the greatest tobacco port in the country are linked with current rumors that a majority of the stock of the Norfolk Southern Railway Company has been bought by the Duke family, of Durham, tobacco merchants. Confirmation of the rumors could not be made, however.

Richmond—Fifty young men and women, representing fourteen Southern States, appeared before the foreign mission board of the Southern Baptist convention in Richmond this morning for appointment to stations in ten of the foreign fields occupied by the board. The bulk of them were assiged to China and Japan, though some will go to South America, Africa and Europe.

Richmond—Dog taxes collected in Virginia for the fiscal year ended January 31, 1921, totaled $242,721.76, according to statistics compiled and released, for publication by the Department of Game and Inland Fisheries which is charged with enforcement of the law. During the year nearly 4,000 dogs were destroyed by game wardens in the counties, cities and towns, while a total of 8,546 convictions were obtained for violations of the law. Taxes were paid on a total of 180,433 individual dogs, 163,404 males and 27,029 females. In addition a number of dogs were kept under kennel licenses.

Richmond—The Virginia commission, which will formally present the Houdon statue of George Washington to the British empire June 30, left Richmond today for New York, to sail for Liverpool on the S. S. Lapland Saturday. According to a letter received from the British embassy in Washington by Col. John W. Williams, secretary of the commission, it will be entertained for a week end party by Lady Astor, a former Virginian. The program announced also includes a visit to the house of Lords, the house of commons, Hampton court palace, Windsor castle, Westminster Abbey, the tower of London and other points of interest in London. The commission consists of Dr. Albert W. Smith, president of Washington and Lee University; Lieutenant Governor R. A. Buchanan, the speaker of the house of delegates. Governor Davis was originally appointed to this commission by the general assembly, which authorized the presentation, but delegates Dr. Edwin A. Alderman president of the University of Virginia to go instead. Dr. Alderman later found he could not attend and Dr. Smith was appointed in his place. The Houdon statue of Washington was made from casts taken from the person of the first president. The original statue, in marble, now stands in the rotunda of the Capitol here. The statue, which has been erected in Trafalgar Square, within the shadow of the monument to Lord Nelson, is of bronze and will be unveiled June 30th.
